

## FIELD TRIP PERMISSION

*Please complete and return for each child.*

During the course of the school year, your child will have the opportunity to participate in field trips. The classroom teacher will notify you before each trip away from the school.

Please read the two options below and choose the option you wish to use with the school. If you have any questions please call your child's principal at 313-886-1221.

My child has permission to participate in all The Grosse Pointe Academy field trips offered to my child's class during the year.

OR

I will write a note approving my child's participation in each trip on the back of the trip notice and will return it to my child's teacher two days prior to the field trip day.
