

Dear Parents,

This letter is intended to give you some suggestions for your child's summer reading pleasure along with the **required read** for the incoming third grade students. Below is a list of books that I have found my current third graders enjoy.

I also highly recommend that your child join the Summer Reading Program through the Grosse Pointe Public Library. Read books, attend library programs, and earn prizes! Sign up online or at the library <https://gp.beanstack.org/reader365>.

Thank you and see you next fall!

Your child is required to read this short novel over the summer. It is the story of a unique mouse who can read, write, and talk to humans. When he escapes from a mysterious laboratory he goes on an adventure and finds unexpected friendship. I am very excited to have your children read this book and they should be prepared to work with and discuss the novel when they return from summer break.
